3. How to Play

Let the games begin!

- **Turn Sequence:**
Players take turns clockwise. On your turn, strut your stuff and move one space forward.
- **Drawing Cards:**
Land on a space? Draw a card from the corresponding deck (Dare Challenge, True Confession, or Wild Card).
- **Completing Tasks:**
You've got one minute to complete the task on the card – unless the card says otherwise. Go big or stay put!

4. Types of Cards and Advancement Rules

This is where the fun really kicks in!

- **Dare Challenges:**
Time for a Dare Challenge! Pick one of the two wild tasks on the card. Each point on the task equals spaces you can move if you complete it within one minute or the time given. If you fail, you can't try the other task—stay put and wait for your next turn to draw a new card. Go big or go home!
- **True Confessions:**
Got a True Confessions card? Spill the beans to move forward one space. Can't or won't? No worries, stay put and draw a new card next turn. Keep it real and honest!
- **Wild Cards:**
Wild Cards are wild! Follow the card's wacky instructions. If it says move spaces, do it now. If it's bonus points or other fun twists, wait until your next turn and move one space like at the start. This is the only exception or not. Expect the unexpected and let the fun roll!

5. Failure to Complete Tasks

Hey, it happens!

- **Staying in Place:**
Can't complete the task? No worries. Just chill and stay where you are.
- **Voluntary Refusal:**
Not feeling it? You can always refuse a challenge. No judgment, just stay put.

6. Winning the Game

It's a race to the finish!

- **Race to the Finish:**
First player to reach the "TRUTH" space wins. Simple as that!

7. Additional Rules

Keep the vibes positive!

- **Player Comfort:**
Make sure everyone's having fun and feels comfortable. It's all about good vibes!
- **Optional Modifications:**
Feel free to tweak the rules if everyone agrees. Keep it light and fun!
